A very large percentage of **SOUTHSIDE ROTARY MEMBERS** use the public libraries. The library system consists of six branches that are located in different parts of Corpus Christi. The library system can be accessed using the internet. Computers, DVD's, tapes, etc. are available at the libraries.

library was then located in the downtown area and in 1986 moved to its present location near Blucher Park.

On October 4, 2009, Former First Lady Laura Bush will come to the Corpus Christi Library to help celebrate the library's 100th anniversary.

The library is part of the City of Corpus Christi and receives funding from the City, from grants, and donations. The La Retama Library and Friends of the Library Organizations help the library system with volunteers and donations.

The combined library with Flour Bluff School System has worked very well.

**PRESIDENT LARI** presented a pen to Laura for the excellent program.
