David Walker announced today was "Official Cost of Government Day" so after today we are working for ourselves and not the government! Actually the cut-off date in Texas was July 5 he said.

PDG Don Ratcliff bragged on his granddaughter who just graduated from Auburn University and received her invitation from the White House to be an Intern this coming year!

PDG Marilyn Spencer bragged that she is going on vacation for 3 weeks to the Arizona mountains "where you never need air conditioning!"

Ellison Crider had a great announcement involving his talented family! He is featured this month in his company's industry magazine (with a full-color photo and article!) and his daughter wrote an article for the magazine and his wife **Rotarian Fay Crider** designed an ad in the magazine.

TODAY'S PROGRAM

David Walker introduced **Ambassadorial Scholar Erica Chimelski** to give a brief talk on her plans to represent our club in Luxembourg during the 2008-2009 school year. Erica, a 2006 King High School graduate, took a leave from her studies as a Cadet 3rd Class at the Air Force Academy to represent our club at the University of Luxembourg where she will study Bio Chemistry and French. All her classes will be taught in French! She plans to rejoin the Air Force Academy after her Ambassadorial Scholar year and make a career in medicine in the Air Force upon graduation. What a terrific person to represent Rotary and our club overseas.
