BRAGGIN' BUCKS

PDG Don Ratcliff announced his retirement on Friday from Lockheed Martin after 21 years working with his great crew at the Naval Air Station.

David Walker reminded us of the anniversary today of the sinking of the USS Indianapolis. At 12:14 a.m. on July 30, 1945, the USS Indianapolis was torpedoed by a Japanese submarine in the Philippine Sea and sank in 12 minutes. Of 1,196 men on board, approximately 300 went down with the ship. The remainder, about 900 men, were left floating in shark-infested waters with no lifeboats and most with no food or water. The ship was never missed, and by the time the survivors were spotted by accident four days later only 316 men were still alive. The world's first operational atomic bomb was delivered by the Indianapolis to the island of Tinian on July 26, 1945. Source: <http://www.ussindianapolis.org/story.htm>

Bruce Hamende was proud that his service department at Wendland Heating and Air Conditioning is 90% certified through a National Departmental Training program and they were just featured in their nationally-distributed industry newspaper.

TODAY'S PROGRAM

Southside's own ADG **Barry Lobell** introduced District 5930 Governor **Russell Cain** and his **Rotarian** wife **Cherre** who presented a great program to the club about their goals and the goals of **Rotary International President DK Lee** for the coming year. The *Make Dreams Real* theme was present throughout the projects designated for this year's humanitarian focus including **water sanitation, increasing membership, decreasing child mortality, and Rotary EarlyAct Community Service for Kids.**

The Governor announced this year's **District 5930 Conference** will be family-oriented and is to be held at the **Radisson Hill Country Resort in San Antonio** located 30 minutes from Sea World. The conference dates are **April 24-26, 2009** with a Golf Tournament taking place on April 23. More information and registration will follow in the coming months.

At the conclusion of the program **President Betty Frantum** announced that to thank the Governor and his wife for their attendance at our meeting, a donation from our club will be made in their names to the **Rotary Foundation**.
