PROGRAM HIGHLIGHTS

Jim Fowler introduced presenter **Agnes Zarcaro** with **Spaulding for Children** who spoke about adoption. Spaulding for Children's mission is to provide children in need of a loving home with the joy of having one. A not-for-profit organization with a 31-year history, Spaulding for Children is dedicated to building and sustaining strong, nurturing families for children who have endured abuse, neglect or abandonment.

Their vision is to be the premier provider of adoption, foster care and related services in Texas. Because of Spaulding for Children, there could be a loving family for every child who needs one. The agency is recognized for its' innovative programs and leadership in collaborative initiatives. Spaulding for Children has always focused on finding permanent homes for children who, because of their problematic circumstances, would otherwise grow up in the foster care system, never having had permanent families of their own. To remove any socio-economic barriers, the agency charges no fees for its services. To learn more about Spaulding for Children, how to adopt or foster a child, apply for post adoption services or make a donation, please contact them at 361.850.8200 or visit their website at: <http://www.spauldingforchildren.com/?id=1>
