PROGRAM HIGHLIGHTS

Rotarian Art Zeitler, Past President of the Downtown Club and currently District 5930 Rotary Foundation Co-Chair, gave a great presentation on the Rotary Foundation and all the good works it can do internationally and here at home. Art stated that "...if a club is very active in being involved with the Rotary Foundation you can (1) sponsor students for Ambassadorial Scholarships, (2) organize a local project and seek a district simplified grant, (3) sponsor a local young professional to be on a GSE team, (4) sponsor a local university professor for an overseas teaching opportunity, and (5) be a partner club in an international service project. At the end of the meeting Southside Treasurer **Norma Sanchez** gave the Foundation a check in the amount of \$250 from our club. For more information on the Foundation visit:

A note from our Ambassadorial Scholar in Luxembourg:

Hi Southside Rotary!

It's an honor to be printed in the District newsletter! I'll send another update soon! My classes are going well and I'm working on scheduling my presentations! I'm going to try to post my photos from the Rotary seminar in Paris and a few other events on my blog now that I have a cable connection. I just moved to my new room in a residence where the majority of my neighbors are interns at the European Commission- I'm very grateful to my host counselor for having arranged this for me! I hope all is well in Texas; it's always a pleasure to see what Southside Rotary has been up to in your newsletter!

Sincerely,
Erica Chimelski
